Eureka's Cuisine

THE CHEF'S TABLE EXPERIENCE

Welcome

At Eureka, we believe the most memorable wedding menus don't begin with choosing between beef or chicken.

They begin with your story...

Maybe your relationship started over sushi dates.

Perhaps your favourite weekends are spent around a braai with family and friends.

Maybe you still dream about the little roadside focaccia you discovered while travelling through Italy.

Or perhaps everyone knows one thing about you...

If there's enough chilli, everyone is happy.

These are the moments we love to cook from.

Because we don't simply create menus, we create dining experiences that feel unmistakably yours.

Whether you'd like to be involved in every detail or simply give Mieke and the Eureka team the freedom to create something truly personal, we're here to design a menu that could only belong at your wedding.

HOW YOUR EUREKA MENU IS CURATED

Every wedding is different, which is why we don't believe in one-size-fits-all menu packages.

Instead, we've created three dining experiences that serve as the foundation for your celebration.

From there, our chefs tailor every menu around your preferences, your favourite flavours and the type of atmosphere you'd like to create.

Every menu is thoughtfully designed by Mieke and prepared fresh on the day using seasonal ingredients.

PLEASE NOTE

Filter Coffee & Tea are included with Dessert in both packages.

Your menu can be expanded by adding additional items. Please view them on the menu document.

Eureka does not offer food tastings.

SERVICE PROVIDERS

At every celebration, we have service providers working diligently to ensure everything comes together.

Please remember to add them to your final numbers for the Main Course. You are, however, welcome to book them for all the courses if you prefer.

- Venue Manager, photographers, DJ, etc
- R295 per service provider meal

STAY, GET READY & BRUNCH

Start your wedding morning slowly, surrounded by your favourite people.

Check in the afternoon before your wedding, settle into your bridal suite, enjoy a relaxed evening together and wake up on your wedding day without the rush of travelling.

We recommend your hair and makeup team begin with your bridesmaids while you enjoy a slow morning. Around 10h30, everyone can pause together for a beautiful brunch served either in your suite, or on the veranda overlooking the vineyards (weather permitting). It's often one of the calmest and most memorable moments of the entire wedding day.
